Description: Coordinating glazed porcelain floor (18"x18" and 12"x12") and glazed ceramic wall (8"x12") colors are reminiscent of delicate ferns, fallen leaves, lichen-strewn tree trunks. **FOREST IMPRESSIONS** by Marazzi creates modern sanctuary in this fast-paced world.

Dappled shading and natural speckling on a slightly structured surface replicate worn stones found in quiet woody glades. Indoors and out, or somewhere in between, modern consumers create their own "breakrooms" where family, entertaining, business and relaxation mix and mingle.

Like sunlight glinting through leaves onto a water-beaded web, the accompanying glass and metal-look listelli and decos add incandescent beauty. The ADA-compliant COF of the porcelain floor tile pairs a recognized measure of safety with strength and frost resistance.
