SOHO Modulo Wins *Interior Design* BEST of YEAR Award

Each year *Interior Design* invites manufacturers to submit the best of their best for a preeminent design competition geared at defining the most significant and extraordinary products of the year in more than 50 categories. Taking the Tile category by storm, Soho's 12"x12" Modulo Deco received top honors for its fanciful, three-dimensional, puzzle-piece appeal as well as color body porcelain durability.

The ability to simply transform any wall into a work of art, creating the extraordinary from the ordinary, impressed the jury of design leaders who selected the final winners.

The Best of Year Winner logo is already incorporated into the images on www.marazzitile.com and will soon be appearing on merchandising materials.
