

PRESS RELEASE

SUMATRA

Sizes 18"x18", 12"x12", 6"x6"

Description Exotic and sensual, yet broadly appealing, Marazzi's SUMATRA suggests a cultural convergence of dramatic influences and everyday liveability. The highly reflective glazed ceramic surface lends the glamorous feel of polished stone at a substantially more economical price while eliminating special maintenance requirements.

Transform any space with personalized patterns utilizing the multiple sizes and three warm beige-gold-brown ranges gently layered within each color itself. As every beach, every seashell, every tree branch is made up of a composite of blended colors, so is SUMATRA. Varied motifs emerge, hinting at yet-to-be-explored environments. Discover and accomplish your design vision by playing upon the embedded shading mixes when pairing with paints, fabrics, fixtures and appliances.

Single bullnose fabricated from the tile itself broadens application possibilities – use it on steps, tub and shower surrounds, transitions to other surfaces – and beautifully completes every project.

Product Data Type: Floor & Wall: Glazed Ceramic
Colors: Dumai, Giambi, Medan
Rating: Class 3 – Light / Moderate Traffic: Tile suggested for residential floor and wall applications, including bathrooms, kitchens, foyers, dining rooms and recreation areas.
