## TOSAL

**Sizes** 20"x20", 12"x24"

**Description** TOSAL's large and elongated sizes stretch the imagination, minimize grout joints and generate clean, linear imprints that are a perfect backdrop for contemporary lifestyles. The surface resembles swirls of sand or ground stone, giving a sense of depth and movement, while the finish is smooth and easy to clean.

Three earthen color ranges - brown, gold, grey - are offered in 20"x20" and 12"x24" sizes; bold 3/8" thickness imparts strength and stability plus an interesting visual interplay of pattern results when using the square on the floor with the rectangular sizes on the wall, or vice versa.

The simplicity and massiveness of TOSAL elements free the design psyche, taking it to new heights where functional aesthetics are attained through the layering of simple base materials with decorative touches of copper, steel, glass or wood. A sumptuous tumbled stone mosaic listelli plus bullnose fabricated from the tile provides the perfect finishing touch.
