 12" x 24"
 12" x 12"

Description Marazzi's **VANITY** conveys a definitively contemporary mindset. Stunning slashes of natural stone colors interplay with hints of metallic veining that capture the light, draw the eye, create dramatic backdrops for today's ever-evolving urban experience. The feel is well-trodden stone; the technology is color body porcelain stoneware – so it's strong, frost resistant and simple to maintain.

Expansive macro formats, modular components, mosaic accents and an eye-popping metallic listello appeal to millennials as well as anyone embracing the less-is-more loft look. Clean, rectified edges accommodate intricate layout patterns with small grout joints, emphasizing the beauty of the tile itself with minimal distraction.

Obviously, a natural tie-in with stainless steel, burnished copper and commercial-themed appliances and furnishings in kitchens and baths, **VANITY**'s large sizes also make striking wall treatments, both inside and out. Carry the look of the loft onto the balcony walls, the lobby decor to the exterior walls, the family room to the outdoor living area walls. Give your ego the attention it deserves – appeal to your inner vanity.
