Series: **CIMMARON**

Sizes: 18" x 18"
12" x 12"
6" x 6"

Description: Bold arrays of strong colors unite with dramatic, random patterning in Marazzi's **CIMMARON**. Glazed porcelain supplies all the characteristics of honed slate – impervious, hard, closed texture, quick drying, frost resistant, fine grained – without any of the flaking, gauging or sealing downsides.

Heavy shade variations occur in each of the four striated, distressed, puddled colors. Sierra ranges from espresso to gunmetal to buff; Canyon from copper to moss to chocolate; Timber from caramel to beige to taupe; Meadow from cream to ecru to gray . . . layer upon layer of intricate color.

Three sizes (18"x18", 12"x12", 6"x6") are offered with a matte, ADA-compliant surface and straight edges. Copper-touched metallic decos, covebase and angles, quarter round and angles and SBN cut from tile round out the series.
