Series: **SUPER SALTILLO**

Sizes: 18" x 18"
12" x 12"
6" x 6"

Description: A strong porcelain body underlies the warm, soft, artisan feel of Marazzi's **SUPER SALTILLO**. Rounded, slightly irregular top edges and a refined, flatter surface with only slight scratches, indentations and specs distinguish it from generic, porous saltillos that require repetitive sealing, stripping, sealing routines.

Three mix-and-match sizes (18"x18", 12"x12", 6"x6") are available in two bold, highly variegated colorations with a smooth, satin finish. Saguaro's golden sunlit tones extend from pink to coral to terra cotta; Desierto's warm tawny tones range from honey to sienna to copper. Patterns on the surface vary greatly, furthering the authentic look.

Equally at home on floors, walls, counters and pool surrounds in Country French, Mediterranean or Southwestern venues Super Saltillo is fully complemented with Talavera-style decos, sink rail and angles, quarter round and angles and SBN cut from tile.
