CAMPIONE

Exhibiting the true heart of a champion, **CAMPIONE** takes travertine-inspired tile to a whole new level. The smooth surface belies the three-dimensional impression of crater-like depressions and lava-like flow that bring a dramatic feeling of movement to this glazed porcelain series.

The large-scale field tile plus three modular iterations bring warmth and presence to areas of congregation, whether public or private. Three rich, neutral colors are beautiful on a retail floor; comfortable in a great room; blissful on a spa wall; welcoming in a hospitality lobby. Plus, the simple maintenance routine requires no harsh chemicals or repeated cycles of sealing and stripping as does natural travertine.

An octagon-shaped mosaic for each color with natural stone dots adds great pattern contrast to the square and rectangular shapes. Or go for the gold, or silver, or bronze, or copper, or glass accessories to customize this revitalized classic into a championship look of your own.
