

PRESS RELEASE

WALNUT CANYON

A fresh take on the limestone used by early Southwestern cliff dwellers, **WALNUT CANYON** combines the strength of color body porcelain with the natural beauty of native stone in all its randomly varied faces for today's floors and walls. Gently puddled ranges of warm, soothing, matte colors wash across the subtle concavities and indentations that define the line.

Dramatic tonal ranges of rustic travertine tempt the eyes to dance across surfaces that continually transform, depending on light and shadow present in the area. A leaf-filtered patio, a sunny family kitchen, a candle-lit restaurant . . . ever-changing, ever-fresh environments.

Re-invent classic or modern, residential or commercial venues with the broad range of colors, sizes, mosaics and trims offered. Balance large formats with square or rectangular mosaics; create intriguing patterns with correlating modulars; finish commercial areas with sanitary covebase and angles. Accessorize with various glass, metal, fabric or wood embellishments to further personalize and expand the design possibilities of this durable, easy-to-clean, healthy flooring choice that's ADA-compliant.

Sizes: 20" x 20" 13" x 13" Mosaic (2" x 2" Square mesh-mounted)
 13" x 13" 13" x 13" Mosaic (2" x 4" Brick mesh-mounted)
 6½" x 6½"

Type: Floor & Wall: Color Body Porcelain

Colors: Cream, Golden, Multi, Umber

Abrasion

Resistance: Class IV – Tile in this class may withstand heavier amounts of traffic with greater amounts of dirt and/or other abrasives present, including commercial kitchens and areas with regular traffic from the outside. See Coefficient of Friction and Frost Resistance for installation-specific details.
