**Description:** Envision slate, with striking vein patterns and intriguing color segues, that is smoothed like a gemstone. The result is Marazzi USA's newest glazed porcelain, **JADE**. Modular tile as well as three versions of precisely waterjet-cut, mesh-mounted mosaics enhance the line. The mosaics can be installed stand-alone, in conjunction with field tile, or cut into personalized strips, squares, or rectangular shapes.

Softened, burnished to a lustrous finish, the four natural slate tones – Sage, Ochre, Chestnut, Taupe – are muted, yet retain the effect of distinct clefts, mineral deposits and sense of randomly layered color. The satiny surface is simple to clean, wonderful to walk on barefoot and ideal for floor and wall applications in both residential and commercial environments due to the COF rating of  $\geq 0.60$ .

Build on this rich stratum with diverse reflective trims of glass, metal or stone to customize any setting from rustic to sophisticated. The foundation readily supports the warmth of nostalgia coupled with modern color harmony.
